Dear Parents, Teachers, Staff and Administration,

**The Erie High School After Prom is April 25th, and OUR STUDENTS NEED YOU!**

The safety and wellbeing of our high school students is our first priority. That's why the Erie High School Booster Club is honored to once again host the **EHS After Prom event**: a safe, alcohol-free, and drug-free all-night party for Juniors, Seniors and guests of Erie High School.

*One-third of all youth under the age of 21, who are killed in traffic accidents, die from alcohol related causes during Prom and Graduation Season.* Help us keep our students safe by creating an exciting alternative to other after prom festivities. You can join us in providing a fun, supervised party that kids will **want** to attend.

**IMPORTANT NOTE: This event is FREE for our students to maximize attendance. We've learned over the last 10 years of hosting this event: fun games, great prizes and lots of food entice students to attend. This is why we need everyone's help to make this event successful.**

**Take just one moment and commit today to making this the Best After Prom yet!**

*EHS Booster Club is a non-profit organization. All donations are tax deductible. Please indicate if you would like a receipt for tax purposes. For questions, please call Karen Hellwig at 678-938-1917 or [khellwig@att.net](mailto:khellwig@att.net).*
