## Core Classes:

### English:

- Mrs. Trinkner offers after-school tutoring from 2:30 – 4:30 every day.
- Ms. Biegen is available 4<sup>th</sup> and 7<sup>th</sup> period, at lunch, SSR and before and after school by appointment.

### Math Department:

- After-school tutoring for all levels from 2:30 – 3:30 on Tuesdays in C202 and Thursdays in C200.
- Calculus Tutoring is available on Thursdays in T109 for Calculus students only.
- Ms. Cerrone is available after school Monday – Thursday and is available by email in the evenings.

### Science:

- Ms. Marcus is available after school but can be available before school at lunch or during an off-block by appointment, or by email at any time.
- Ms. Todd tutors AP Biology from 6 – 8pm in her classroom during test weeks. She is also available during 4<sup>th</sup> and 8<sup>th</sup> period for students who are available.
- Mr. Brungardt is available during 2<sup>nd</sup> and 7<sup>th</sup> block, during lunchtime and for 30 minutes each day.

## Electives:

**World Languages:** After-school tutoring for class material and test taking strategies in Spanish and German on Wednesdays in C109 from 2:30 – 3:30.

**Art:** Ms. Orellana & Mrs. Roberts offer help and work time to students during lunch or her planning period. Ms. Orellano also has online resources available for help with digital projects. You are always welcome to ask questions by email. She responds very quickly! Art Club is for students who want to be involved in the arts but don't necessarily have an Art class. Students can use the time to work on projects as well as help serve the community with art!

**Choir:** Mrs. Bird is available at lunch or before or after school by appointment.

**Family and Consumer Sciences:** Mrs. Brueggeman is available every day at lunch in her classroom for students who need any extra help.

**Technology:** Ms. Cerrone is available during lunch on A Days. Mrs. Bird is available at lunch or before or after school by appointment.
