

Erie High School Volunteer Policy and Application

At Erie High School we welcome volunteers in our building to support our students and staff. All volunteers who work at EHS need to serve and adhere to the volunteer policy outlined by the [SVVSD Board of Education Policy IJOC](#). All volunteers will be supervised by a sponsoring staff member and adhere to SVVSD policies at all times. Prior to volunteering, all applicants must complete an application form, which includes personal and emergency contact information.

When a group or business applies to volunteer at Erie High School, they will be asked to provide a clear academic purpose for volunteering during a meeting with the administration. Groups and businesses may not market or advertise their organization in any way while volunteering at EHS.

Occasionally, concerns and/or grievances may arise in the course of a volunteer performing duties. Concerns will be brought to the supervising staff member and then to administration to determine what action should be taken, and/or if this individual or group will be allowed to continue to volunteer.

If you would like to volunteer, please read this disclaimer and complete the application below.
