SECOND SEMESTER SCHEDULES

SCHEDULING WINDOW: NOV. 9-DEC. 4 ONLY

Due to an increase in our student population, we were able to add quite a few classes to our second semester schedule. The classes have been added and students have been placed in the new

classes. If students or parents have requests to change second semester schedules, those must be completed during the scheduling window of Nov. 9-Dec. 4. After Dec. 4 all change requests must be submitted through an online form and will be considered on an individual basis.

Students should make sure they have full schedules (9 & 10 need 8 classes; 11 & 12 -6 classes minimum).

NEW CLASSES ADDED TO SECOND SEMESTER!

Classes that have been added and have room include:

- Personal Finance--2nd hour
