

Summer Resource Fair

June 4th
10:30am - 12:00pm
All Ages

Erie Uplink, Erie Community Library, and MOVE are working together to host our **first Summer Resource Fair** on the lawn outside of the library! Non-profit organizations across Erie will be there to provide services, resources, and information about how they help our community's traditionally underserved populations. There will be games and activities available, too – everyone is welcome!

Erie Community Library
400 Powers St, Erie
