

Community Brain Expo

A Free Event for All Ages

University of Colorado Boulder

Saturday, March 16, 2019

2:00 pm – 4:00 pm

Center for Innovation and Creativity
1777 Exposition Drive, Boulder, CO

Free event, free parking!

- Get to know your brain and how it works at this stimulating, fun, and brain expanding expo event for curious people ages 5 to 105, with demonstrations, hands on activities, and research-based information for all ages.
- Learn about research happening in the fields of psychology, cognitive science, and neuroscience at CU Boulder and beyond.
- Challenge your balance; experience physiological sensations; see animations of brain activity; go inside a mock MRI scanner; learn about delayed gratification in children; make mindfulness jars; see how gaze tracking, facial expression tracking and skin response sensors work; learn how your brain helps you fall in love; play brain games and more!
