

Important! On Friday you will take a Practice Test for attendance.

You can find the practice test in your grade's Schoology course in the Practice Test folder. Please try to complete the practice test by 2:00 pm. By taking this practice test, you are improving your score!

First...do not stress out! You **do not have to** have to get a perfect score in order to get a good score on the PSAT/SAT. In fact, you do not even have to get every question right in order to get a perfect score.

Watch this quick video about how you will take the test.
