COMMONLY ASKED QUESTIONS:

Where do portrait sessions take place?

Our studio is located in the Denver Rhino Arts District. We use a 6-8 block radius filled with amazing graffiti, alleyways, and great backgrounds for an urban look. We also photograph all over the Denver metro area. We have plenty of recommendations for various locations. Have a look you want just ask.

When should I book my session?

As soon as you can. July through October is our busiest time for seniors. I would suggest at least 6 weeks before your year-book photo is due.

What form of payment do you accept?

Cash, Check, American Express, Visa, Master Card, & Discover.

When is payment due?

A \$50 retainer is due to reserve your session date and time. The final balance is due the day of the session. Payment for print & product orders is due at time of your order. We also can split your orders into multiple payments.

How soon after our session will our images be available?

We will schedule your premier ordering session at our studio 2 weeks after your shoot. You will then be able to view and select your favorite images.

What happens if it rains on the day of my outdoor session?

In the unfortunate event of rain or strong wind during a scheduled outdoor session we will either utilize an indoor area or we will reschedule for another day.

CANCELATION POLICY:

Session fees are non-refundable but may be applied to a future session if a 48-hour notice is given. If you or your child is feeling ill, please call to reschedule, regardless of the time frame. We are happy to reschedule your session due to illness.

We're always happy to answer any questions you might have. Email us or call directly at anytime during the process.

WARDROBE TIPS

- Avoid clothing with words or logos. Please dress in the color white sparingly, for this color often reflects light strongly.

- One outfit should be a simple, classic outfit for the grandparents, but don't be afraid to express your style with your other outfits!

- Please bring your clothes freshly ironed on hangers with coordinating accessories attached to save time.

- Variety is key! Bring dresses, jeans, casual, dressy, accessories, etc.

- I suggest bringing more outfits than you think you need. This allows me to help you make the final decision on what would best suit the look and feel you are trying to achieve.

- Hats, jewelry, scarves and fun accessories can be a very effective way to showcase your style.

- Ladies! Please be sure to wear the right undergarments! Sheer dresses require nude underwear and bra straps should not be showing. A strapless bra is a must!

- Fashion magazine are a great source for tips and inspiration!
